## **FIFTH ORDER OF EXCLUDABLE DELAY**

COLLINGS, U.S.M.J.

The Court orders the following period of time excludable from the time period within which trial must commence:

November 20, 2013 - Conference held (all defendants).

November 21, 2013 - January 30, 2014 - Continuance granted. Pursuant to 18 U.S.C. § 3161(h)(7)(A), the Court finds that it is in the interests of justice in this particular case to provide counsel for the defendants 71 additional days to complete review the voluminous discovery which has been and will continue to be produced by the Government and to file any non-discovery type pre-trial motions and that those interests outweigh the best interests of the public and the defendant in a speedy trial. Not granting this continuance would deny counsel for the defendant a reasonable time necessary for effective preparation. See 18 U.S.C. §

3161(h)(7)(B)(iv).

Thus, as of January 30, 2014, no (0) non-excludable days will have occurred leaving seventy (70) days left to commence trial so as to be within the seventy-day period for trial set by statute.
